Conditions of Contract for the Supply of Articles of Furniture.

1. The articles will be required to be manufactured according to our specifications out of well seasoned Mysore Teakwood or Rosewood as the case may be, free from all defects, such as knots, bends, white and sap wood, etc. All the articles are required to be well polished and varnished.

2. The articles will be subject to inspection by an officer to be deputed for the purpose both during manufacture and after completion and such of the articles as may be found defective during such inspection, either due to bad workmanship or due to use of bad materials, will be rejected and you will be required to replace them by sound ones according to specification.

3. The soundness of all the articles should be guaranteed for one year during which period the defects that may be noticed by the Department will have to be rectified by you at your cost.

4. You should be prepared to execute an agreement undertaking to abide by the conditions of our tender and also to deposit as security a sum not less than five per cent of the value of the order.

5. Withdrawal from the quotation after it is accepted or failure to make supply within the specified time or according to specifications will entail cancellation of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of three per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of Approved Firms.
